

INTERMODAL LOGISTICS CENTER (ILC) INFRASTRUCTURE SUPPORT PROGRAM

? WHAT IS AN ILC?

A facility, or group of facilities, serving as a point of transfer of freight in a specific area physically separated from a seaport where activities relating to transport, logistics, goods distribution, consolidation, or value-added activities are carried out and whose activities and services are designed to support or be supported by conveyance or shipping through one or more seaports (Florida Statute 311.101).

✓ ELIGIBILITY

- State, local or private entities that have gained local support and funding for their project.
- The project must adhere to the statute and rule to be eligible for funding.
- The project must show a community benefit and demonstrate freight movement improvements within the affected region.

🚩 FDOT FMO MISSION

FDOT Freight and Multimodal Operations (FMO) Office will provide solutions to foster the successful development of Intermodal Logistic Centers that enhance the connectivity, reliability, and safety of trade flows and promote Florida's global economic competitiveness network.

💰 FUNDING PROFILE

At least \$5 million shall be made available from the State of Transportation Trust Fund for the program. FDOT shall include projects proposed to be funded under its Work Program. Projects are eligible to receive a maximum of \$2.5 million, which must be matched by the entity. Past projects have included infrastructure enhancements such as:

- Road Construction
- Rail Expansion
- Dock Improvements

📅 2019-2020 FUNDING CYCLE
